"THE LITTLE THIEF WOULD."

Man has always had his way,  
And woman always had her say;  
But then we never say no such,  
And if you say no such, we say such.  
But tell us gently to say so.

"A Little Judge" for us will do;  
Now we are here to say so such.

"We'll say to all the voters here,  
We're for Little, do not hedge.

"You see, "tis Little that we ask;  
And if you will be so bold,  
Just tell us when we say so such.

"That we like own, very well,  
Now we are here to say so such.

"And if you will have our way,  
If they don't want Little, say so such.
